then gather 30 instep sts on stitch holder, total 60 sts a rnd.

**Next rnd:** K 1 rnd even. Work even until foot measures 5.25" from the join of instep, or knit until you are approximately 2" from your longest toe or 1.5" or whatever that measurement would be for your toe.

**Shape toe:**

**The process to knit toe:**

				
<b>A:</b> Divide across needles same as heel. (30, 30). Slip 30 instep sts onto stitch holder.	<b>B:</b> Knit toe same as heel and gusset.	<b>C:</b> Graft foot and toe stitches together on the right side or turn sock to WS and bind off using the 3 needle(US 5) bind off technique.	<b>D:</b> You finished your sock.
